Location	Woodstock Business Park, Newcastle Road, Kilcoole, Co. Wicklow
Reporting to	Shane O'Brien, Team Leader
Reference	C2026-002

About us

O'Brien Collision Repair Centre is an independent accident repair centre at Woodstock Business Park in Kilcoole, Co. Wicklow. Previously known as Shane O'Brien Motor Services, we've been in the vehicle body repair industry for over 25 years. We repair everything from minor scrapes to major accident damage for private drivers across Wicklow, insurance customers and motor trade partners. We're members of the Society of the Irish Motor Industry (SIMI) and EPA compliant for the handling of VOC products.

The role

We're looking for a skilled vehicle spray painter to join our bodyshop team. You'll take repaired cars from bare panel to a finish that matches the rest of the car, using DeBeer and Glasurit refinishing systems. Alongside everyday accident repair work, we also refinish vintage cars, so no two weeks are quite the same.

What you'll do

- Prepare cars for painting: sanding, filling, masking and priming
- Mix paint to the right colour and consistency, and colour-match to the original finish
- Apply primers, base coats and clear coats, blending into surrounding panels
- Flat, polish and finish paintwork, and put right any defects
- Check every finish before it leaves the paint shop
- Clean and maintain the spray booth, spray guns and mixing equipment

- Store and handle paints correctly, in line with our EPA obligations for VOC products

What we're looking for

- Proven experience as a vehicle spray painter in a bodyshop or accident repair centre (usually three years or more)
- Experience in sanding, spraying, polishing and refinishing
- A good eye for colour and a high standard of finish
- Able to work on your own initiative and as part of a team
- Good communication skills
- A full, clean driving licence (you'll move cars around the site)

It's a bonus if you have

- Experience refinishing vintage or classic cars
- Experience with DeBeer or Glasurit paint systems
- A National Craft Certificate in Vehicle Body Repairs, or equivalent

What we offer

- **Salary of €44,520 to €49,820 a year**, depending on your experience
- **Overtime** available
- **24 days' annual leave**, plus public holidays
- **Workplace pension** with employer contributions
- **Day-time hours**, Monday to Friday
- **All PPE provided**
- **Steady, varied work** from private, insurance and motor trade customers
- A small, local team in Kilcoole, with no city commute

How to apply

Send your CV to **michael@obcrc.ie** with the reference **C2026-002**, or WhatsApp us on **01 287 3017**. This role is open until filled.

We welcome applications from everyone with the right skills and experience. Visit www.obcrc.ie to find out more about us.
